Grevilleans Wendy Dixon (soprano) and David Miller AM (pianist) explore the vast wealth of music written for voice and piano. Our delightful guest artists add a unique dimension to each recital, allowing us to choose repertoire to enhance each of their personal wish lists.

We welcome three exciting new guests this year, Michael Bardon, Andrew Evans and Anke Höppner. We are ever delighted to be sharing the recital platform again with the Gagliano String Quartet (Leone Ziegler, Fiona Ziegler, David Wicks, Doug Emery).

We invite you to join us for our twenty-first subscription series.

After each recital you are invited to join the artists for light refreshments.
